Market Survey Plan

January 30, 2017

Debra Locke

Consumer Access Analyst

Division of Consumer Access

Office of Consumer Protection and Access

National Credit Union Administration

1775 Duke Street

Alexandria, VA 22314-3428

Dear Debra Locke and the National Credit Union Administration:

The Organizing Committee of the proposed Riverwest & Harambee Credit Union intends to conduct a Market Survey of potential members from February 1 to February 28, 2017, and longer if necessary. The Market Survey will be conducted online at the website 53212CreditUnionSurvey.org.

The Market Survey will contain questions relating to financial and loan products, as well as other services the credit union may offer initially or at a later point. For the list of questions, see the survey questions attached in this document.

To ensure that the Market Survey is statistically significant, we need a minimum of 380 respondents. The Organizing Committee aims to gather even more responses than that to ensure successful operation of the credit union. To achieve this, the Market Survey has several components:

1) Postcard

A postcard identifying the website and encouraging participation will be sent to every address in the 53212 ZIP Code of Milwaukee, Wisconsin mailed out via USPS Every Door Direct Mail (EDDM).

To increase accessibility for those who do not have internet access or have trouble completing an online survey, we will offer paper surveys to those who desire them. This is noted on the postcard. The paper survey data will be entered into the survey website. To prevent duplication of survey participants, we will ask if they have already taken the online survey, and also we will check our website entries to make sure that that individual has not participated already. In the event of duplication, the second completed survey will be discarded.

2) Leaflets

The Organizing Committee and its volunteers will pass out extra printed postcards for at least two hours at several locations around the 53212 ZIP Code. These locations represent a cross-section of different geographical locations and types of people who live in the 53212 ZIP Code. The locations are:

- a. Colectivo Coffee – popular coffee shop on the corner of Humboldt Blvd and Chambers Street.
- b. The intersection of Martin Luther King Drive and Locust Street – several high-traffic businesses and a public library at this corner.
- c. Fuel Café – popular coffee shop and café located at 818 East Center Street.
- d. Family Dollar – high-traffic store located at Holton Street and Concordia Avenue.
- e. Riverwest Co-op & Café and Clarke Foods – two neighborhood convenience stores located on the 700 and 800 blocks of East Clarke Street.
- f. MLK Heritage Health Center – high traffic health resource center located at 2555 North MLK Drive.
- g. All People’s Church – popular church located at 2600 North 2nd Street.

3) Canvass

The Organizing Committee does not have enough capacity or resources to knock on every door in the 53212 ZIP Code, although that would produce the most survey responses. The Organizing Committee intends to canvass a portion of the 53212 Zip Code, delivering extra printed postcards to each house.

The Organizing Committee has divided the ZIP Code into 201 separate sections that can be easily canvassed by one or two people in a short amount of time. Those sections, or turfs, have been assigned a number. Please see the attached list “Riverwest & Harambee Credit Union Canvass Turfs” for the complete list. Since we cannot canvass all the turfs in one month, we will knock each turf in a randomized priority. The turfs have been randomized using statistical randomizing software. This will ensure that each house in the ZIP Code has an equal chance of having its door knocked.

When the Organizing Committee conducts a canvass in the survey period, it will knock on every door in each turf and remind the resident to complete the survey. Canvassers will be give a script and extra postcards, which we will leave at every door. The turfs will be knocked in the assigned random priority. Please see the attached list entitled “Riverwest & Harambee Credit Union Survey Canvass Turf – Randomized Priority.”

4) Internet Outreach

The Organizing Committee will periodically publish links to the Market Survey on our Website and Facebook Page. We will also post a link to our Market Survey on several Facebook pages prominent in our community, and send at least two emails out to our email list of interested individuals.
