

## RIVERWEST NEIGHBORHOOD ASSOCIATION

Resolution supporting the proposed Riverwest & Harambee Credit Union

Whereas the Riverwest & Harambee Credit Union Organizing Committee is founding a community organizing credit union that will serve the people who live, work, and worship in the 53212 zip code, and also members of associations and cooperatives in the same;

Whereas we are in an economy where too much wealth and power is held by the big banks, Wall Street, and the richest 1% - and that needs to be changed;

Whereas the Riverwest & Harambee Credit Union will work to create an economy that works for everyone by providing financial services, fostering new cooperative businesses, and organizing our community to stand up to the banksters, Wall Street, and the richest 1%; now, therefore, be it

*Resolved*, the Riverwest Neighborhood Association:

1. Supports the creation of the proposed Riverwest & Harambee Credit Union;
2. Encourages Riverwest residents to open share savings accounts and use all the services at the new credit union when it opens; and
3. Advocates for economic democracy, where workers and communities who create wealth decided how that wealth is used, and economic decisions are made democratically.
